Dear Patron,

Venom Sports is a sports organization geared to promoting the development and competitiveness of young athletes across multiple sports. We participate in the Amateur Athletic Union (AAU), one of the highest levels of sports competition in the country, in addition to a number of other competitive sports leagues.

**Our Mission:**

Venom Sports strives to deliver to its members, fans and competition the highest level of competitive sports play. With a special blend of sports and technology the experience you will receive will be second to none.

**As a member**, you will be given some of the most challenging training you may ever experience. This training will then carry over into highly competitive sports competition

**As a fan**, get ready to have your blood pressure go through the roof because the sporting events you will watch will be very intense.

**As a competitor**, you better bring it because we will not stop until the game is over.

So, if you want to be part of a sports club that delivers high impact, highly competitive sports play, then here is the place to be.

So, when you feel you are ready, come and get some **Venom!**

We are providing you and the young athletes a fantastic opportunity. By placing an ad in our Venom Souvenir Journal and / or on our website you will assist in the development and participation of the young athletes in their selected sport.
